

## ENR 4.4 INDICATIFS CODES DES POINTS SIGNIFICATIFS

### NAME-CODE DESIGNATORS FOR SIGNIFICANT POINTS

Les points significatifs utilisés pour les opérations en cheminement libre (FRA) sont présentés selon leur fonction. Un point peut avoir une ou plusieurs fonctions dans un ou plusieurs volumes FRA. La fonction abrégée entre parenthèses est indiquée dans la colonne "Observations" après le volume FRA concerné.

*Significant points used for Free Route operations (FRA) are categorized according to their function. One point may have one or more functions in one or several FRA volumes. The function is shown in column "Remarks" abbreviated in parentheses after the FRA volume concerned.*

|         |                                                                   |
|---------|-------------------------------------------------------------------|
| FRA (A) | Point de connexion d'arrivée FRA / FRA arrival connecting point   |
| FRA (D) | Point de connexion de départ FRA / FRA departure connecting point |
| FRA (E) | Point d'entrée horizontale FRA / FRA horizontal entry point       |
| FRA (I) | Point intermédiaire FRA / FRA intermediate point                  |
| FRA (X) | Point de sortie horizontale FRA / FRA horizontal exit point       |
