AIP SUP 013/21
Publication date : 28 JAN

Subject : Closure of taxiways and restriction of use at Paris Charles-de-Gaulle AD due to maintenance and compliance work on taxiway D3

With effect : From 01 MAR 2021 to 19 MAR 2021

This AIP SUP supersedes AIRAC AIP SUP 003/21
(CHG : note 1)

Introduction :

Maintenance and compliance work require H24 closure of Taxiway D3 and neighbouring taxiways as shown in the chart hereinafter.

Description :

H24 closure of following taxiways :

- TWY D3
- TWY Y1 between TWY D4 excluded and TWY D included
- TWY BD5 between TWY D and TWY DY both excluded
- TWY D between TWY D4 and TWY BD4 both excluded

Remark :

- TWY Y1 remains open as shown on the chart, vacating is possible via TWY D4.

Note 1 : de-icing bay NW4 not in operation.

Note 2 : in East configuration, the preferred line up taxiways are : D4, and D5 (via TWY D, or via TWY B then TWY MD2)

Dates and times of activity :

01 MAR 2021, 0000 UTC to 19 MAR 2021, 0400 UTC.

Note : These dates are for information only, they will be confirmed by NOTAM.
