

Subject : Modification of the conditions of use of heliport MIKE at Nice Côte d'Azur AD LFMN due to painting work on FATO ME ; ME closed

With effect : From 22 April 2021 to 21 October 2021

INTRODUCTION

Painting work is going to be carried out on FATO ME.

Therefore, the FATO ME is going to be closed. The helipad will be operated as a single FATO MS (see charts and specific procedures on following pages)

ACTIVATION CONDITIONS

This SUP AIP will be activated by NOTAM.

HELIPAD OPERATION

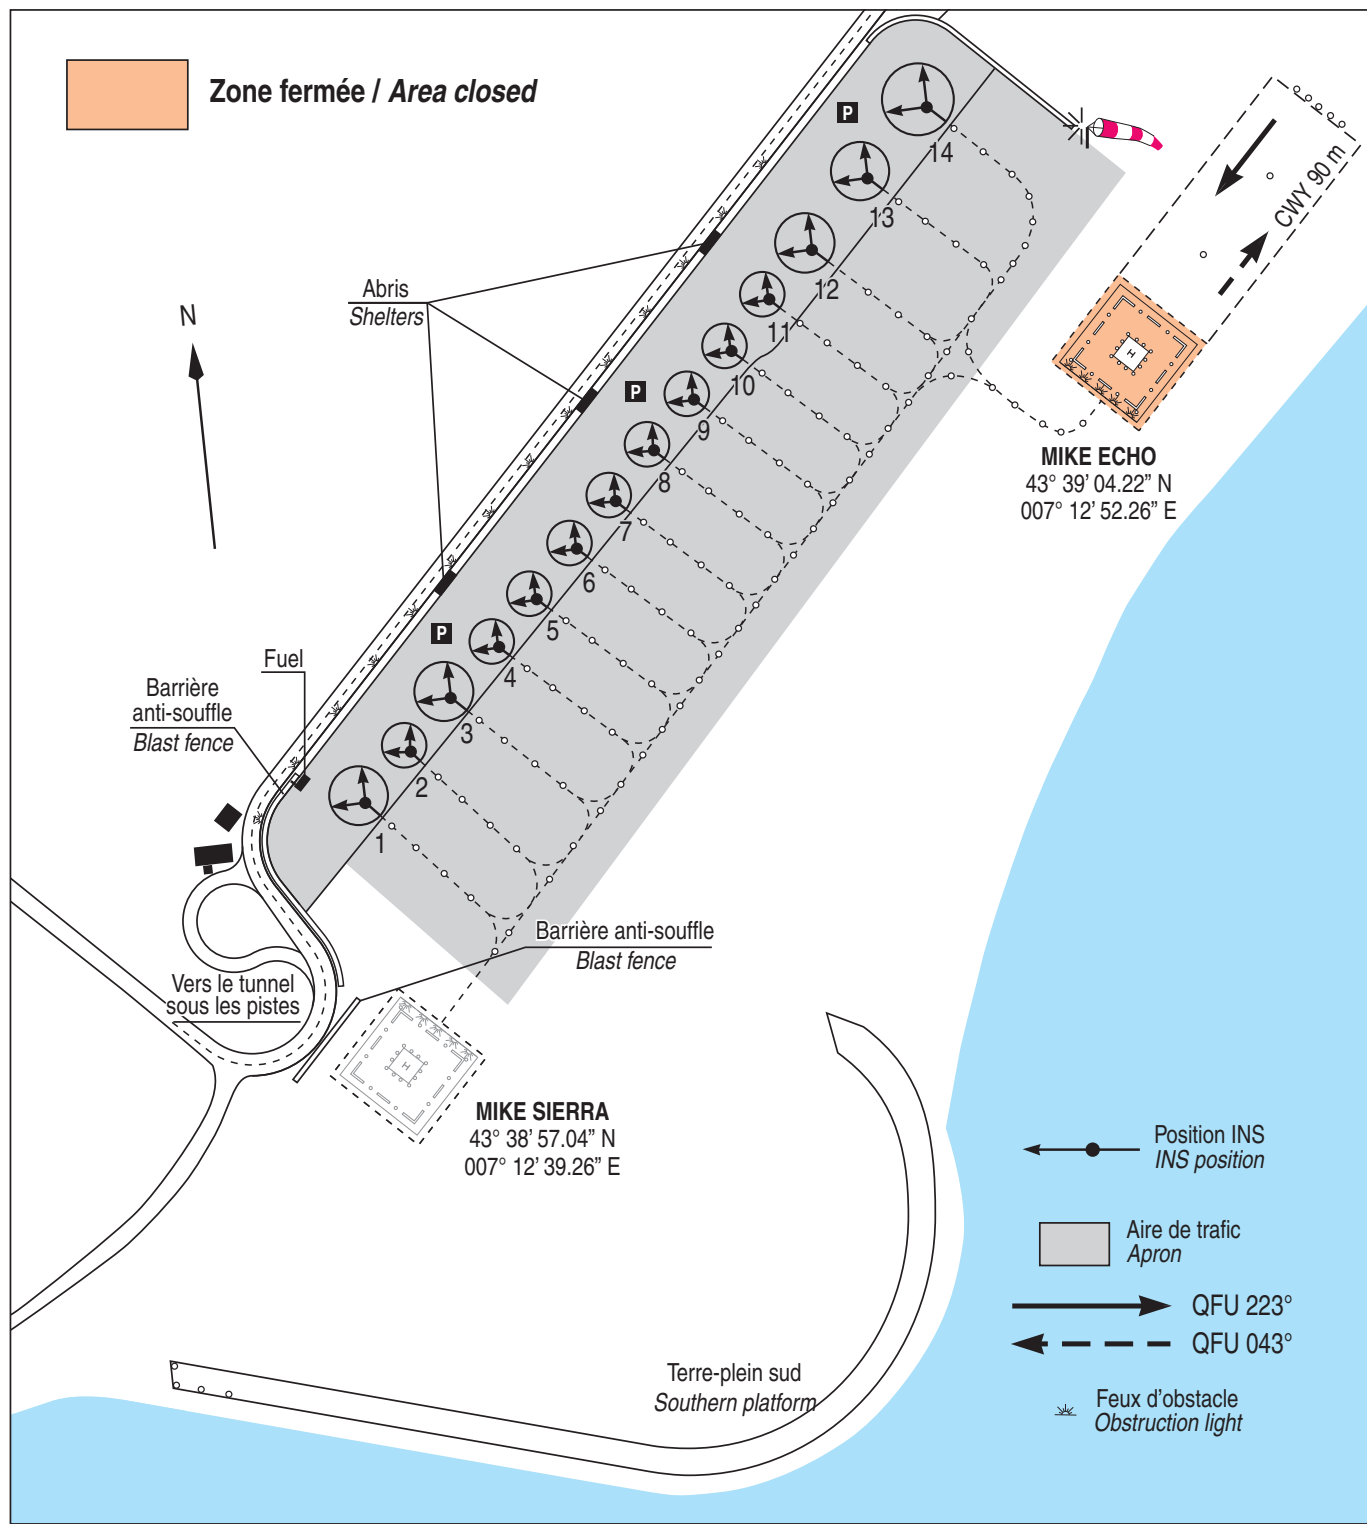

Throughout the painting work, parking stands will be available. The procedures for allocating and operating these stands will be the same as the ones described in AIP France VAC H, AD 3 LFMN TXT 01 and 02.

Any change of stand will have to be made using the main helicopter taxiway.

Only one movement at a time will be possible on the main helicopter taxiway between the FATO "MIKE SIERRA" in use and helicopter stands.
