

Objet : Restriction of use of Paris Orly AD LFPO due to repair works on concrete slabs, redevelopment and renaming of V37 stand.

En vigueur : From 11 août 2021 at 2200 UTC to 03 novembre 2021 at 2300 UTC

INTRODUCTION :

Paris-Orly airport (LFPO) is carrying out renovation work on concrete labs on stand V37.

These works also include a redevelopment of the stand, the creation of new storage areas and the renaming of the V37 stand to V07.

This SUP AIP describes the location of the closed areas and operational constraints in 3 phases. They will be activated by NOTAM.

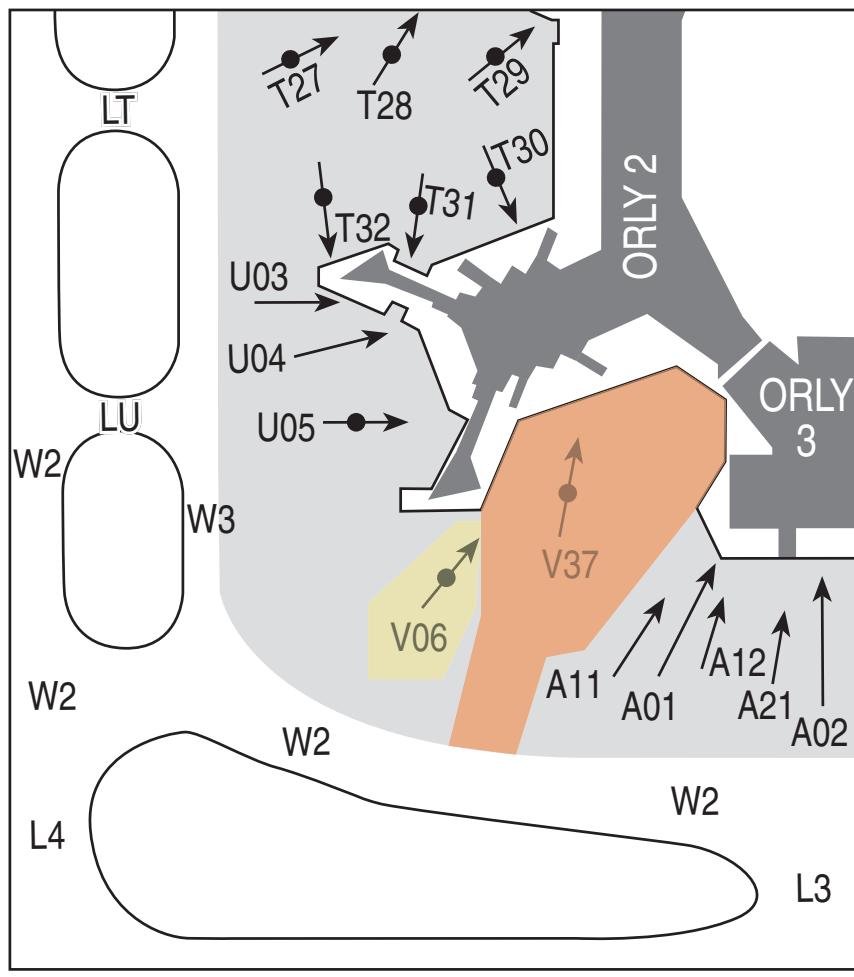

Phase 4 shows the final configuration (work completed), this info will be included in AIP on AIRAC AMDT 11/21 with effect on 4 November 2021.
