AIRAC AIP SUP 037/21

AIRAC date : 22 APR

Publication date : 11 MAR

Subject : Use of Conditional Routes (CDR) in French UIR on overloaded days and public holidays

With effect : From 07 May to 29 October 2021

Description :

As part of flexible airspace management, the use of conditional routes (CDR) in French UIR is subject to special measures on some of the overloaded Fridays of 2021, with additional adjustments taking into account the French Public Holidays during this period.

Appendixes :

The adjustments planned as part of this AIP SUP are described in the following appendixes :

- Appendix I : Overloaded Fridays ;
- Appendix II : Route segments for which CDR status is defined by Belgium.

Note :

Airspace users are advised to refer to the corresponding national aeronautical publications published by the European states administrations.

If exceptional circumstances require the present agreement concerning French airspace to be amended, the information would be made known to airspace users, on the one hand with a NOTAM, and on the other hand, the unavailability of Category 1 Conditional Routes would be mentioned in the Airspace Use Plan (AUP).

APPENDIX I
