Subject : Use of Conditional Routes (CDR) in French UIR on overloaded days and public holidays

With effect : From 20 April to 26 October 2018

Description :

As part of flexible airspace management, the use of conditional routes (CDR) in French UIR is subject to special measures on some of the overloaded Fridays of 2018, with additional adjustments taking into account the French Public Holidays over this period.

Appendixes:

The adjustments planned as part of this AIP SUP are described in the following appendixes:

- Appendix 1 : Overloaded Fridays ;
- Appendix 2 : Public holidays additional adjustments ;
- Appendix 3 : Route segments for which CDR1 status is defined by Belgium.

Note :

Airspace users are advised to refer to the corresponding national aeronautical publications published by the European states administrations.

If exceptional circumstances require the present agreement concerning French airspace to be amended, the information would be made known to airspace users, on the one hand with a NOTAM, and on the other hand, the unavailability of Category 1 Conditional Routes would be mentioned in the Airspace Use Plan (AUP).
